Table: 48 Sellers Migration Pitching Progress

Markets	Pitching Pool	Pending Pitching	Pitched		
			Accepted	Rejected	Pending seller response

MY		19 (40%)	8 (17%)	6 (13%)	15 (31%)
Remarks		**Feedback:** Removed by CN SMT team from pitching pool as they feel the sellers are already present in the local market with high # of SKUs **Next-steps:** to align with CN SMT team to resume pitching, as not 100% of sellers' SKUs are in local shop		**Rejection reasons:** 1. Sellers only willing to focus on main market and unwilling to operate in MY and SG 2. No plans for markets expansion **Next-steps:** to repitch after CNY, explore shop ops by CNSIP team	**Pending reasons:** 1. Unable to connect with sellers 2. Sellers still considering **Next-steps:** to follow up after CNY
