Summary

1. Plan is to move SIP Commercial **(8 pax)**, SLS Ops **(5 pax)**, tech BI who support SIP **(4 pax)** to base in MY, for cost saving as majority they are A/SA ranks and the scope with a) BAU/Ops-related/Support functions and b) roles that do not require client-facing presence in SG.

2. Current HC budget is 115 pax till 2025

- With MY satellite office plan, there is no net HC change as SG:MY with 1:1 HC conversion
- new Q4 2025 HC location as 81 in SG, 17 in CN, and 17 in MY

3. Satellite office hiring and team build-up plan:

A **Batch 1: SIP Commercial (8 pax)**: due to increased resignations in SG and the urgent need for backfill, will first hire team lead/member in MY and aim to finalize the team by Q2 2025.

B **Batch 2: SLS Ops (5 pax)** : once we settle SIP commercial team in MY team, start to move second batch as SLS Ops team to MY, aim to finalize the team by Q3 2025

C **Batch 3: Tech BI (4 pax)**: To support the MY offshore team and transfer SIP related BI support to MY, aim to finalize the team by Q4 2025

** Shuning's HC is put under Product team*
** Cuiwei's HC is put under Special Project team*
