KRCB TW: Counter-Coupang

Counter CP: Targets - KRCB will achieve SOB of 0.34x (vs current 0.26x) by end of year by prioritizing SKU/brand sourcing in especially TKB, Beauty categories

Key highlights

1 **(SOB) KRCB can reach SOB of 0.26x in Dec'25 from 0.34x Aug'25 by prioritizing assortment sourcing, along with NPC improvement**

a. Priority: KRCB plans to prioritize sourcing/migration of assortment (vs NPC improvement), as NPC improvement will have limited impact due to large assortment gap

b. Category: Uplift in F&B comes from NPC, while TKB/beauty uplift mainly comes from sourcing

i. F&B: NPC improvement with breakeven pnl

ii. TKB: NPC improvement with breakeven pnl and sourcing

iii. Beauty: Sourcing & NPC improvement with seller price nego

2 **(SKU Match %) From active sourcing, SKU match rate can reach 67% in Dec'25 from current 24% levels**

Status Quo:

- **KRCB currently matches 43% of Coupang CB's SKUs**
  - For CP top (crawled) brands/SKUs, KRCB has lower match rate of 24%
- **KRCB's biggest gap vs Coupang CB comes from F&B, TKB**
  - Beauty: >100% match rate vs Coupang, there is still big gap in CP top (crawled) SKUs (34% match)
  - Fashion, Others: difference in platform vs crawled match rate suggests assortment between SHP vs CP is differentiated

Plan:

- **To achieve 67% by Dec'25, KRCB plans to focus on the following initiatives**
  - Beauty: Acquire 3K more SKUs via SKU migration & acquisition to achieve 100% beauty brand match rate
  - TKB: Mass acquire 2K more SKUs via acquisition & SKU migration
  - F&B: Open SLS channel (ETA: late Oct) via finding 1+ vendors to support with import CC process

Counter CP: Assortment (Brand-Beauty) - Of 51 Beauty brands in Coupang, SHP has 19 brand shops, and plan to source remaining 32 brands via brand acquisition & reseller sourcing

Beauty	19	51	**37%**
Fashion	3	25	**12%**
Others	0	0	**-**
Total	22	141	16%

Highlights:

1. Out of 51 beauty brands in Coupang, 19 are already on SHP as brand shops
2. Through seller acquisition & reseller SKU sourcing, KRCB will acquire 100% of the remaining 32 brands by end of year

	SKUs	-	0	0

Key highlights

1. **Progress: Runrate of brand 150%, SKU 117%; successfully onboarding 6 brands and 140 SKUs in September mainly in beauty & TKB**
   a. Beauty, Fashion, TKB: acquired 6 more sellers, working to list 30 SKUs per shop
2. **Roadblocks & Plans**
   a. **All:** Discussing with TW local to find TFDA license vendors, as there is no KR vendor supporting TW market (~Oct W1)
   b. **TKB:** Discussing with TW local to ease BSMI regulations which prohibit certain TKB items from sale (~Oct W1)
   c. **F&B: Received rate quote from CC vendors necessary to open SLS channel, pushing for SLS open at late Oct**
      i. Start date will be finalized by BPM upon product development of pre-tax charge logic change & buyer input system

Counter CP: NPC - Based on approved budget of 17.8K USD, KRCB is currently pushing for applying rebates to target SKUs with starting ETA of Oct W1

Key highlights

1. Status quo: Following up on 17.8K USD budget approved for NPC improvement (breakeven pnl), KRCB is discussing with TW on execution details
   a. (Recap) Total of 17.8K USD budget will cause 0.26% PnL impact on KRCB overall, while improving NPC by -37% for crawled SKUs
2. Timeline
   a. Receive confirmation from TW Legal to apply rebates on KRCB items (~Oct W1)
   b. Confirm on details for 1) rebate method, 2) target SKUs, and 3) date coverage
   c. Initiate applying rebates to target SKUs immediately following TW legal approval
